

SIX VERMONTERS DIED OF WOUNDS

Five More Died of Disease
and One Other Was
Wounded

PVT. E. C. CHADWICK,
RANDOLPH, LISTED

The Total Casualties To-day
Were 1,732, of Which 68
Were Killed

Washington, D. C., Dec. 4.—To-day's casualty list contained 1,732 names, divided as follows: Killed in action, 68; died of wounds, 390; died of accident or other cause, 13; died of disease, 517; wounded severely, 167; wounded (degree undetermined), 294; wounded slightly, 5; missing in action, 308. The New England men included were as follows:

Killed in Action.
Sgt. Raymond C. Gilbert, Worcester, Mass.
Pvt. Harry G. Becker, Oakland, Me.
Pvt. William A. Miller, Wrentham, Mass.
Pvt. Raffaele Spiotto, Torrington, Conn.

Died of Wounds.
Lt. Hobart A. Lawton, Quincy, Mass.
Lt. Harold A. Healey, Norton, Mass.
Sgt. John C. Clune, Brattleboro, Vt.
Sgt. Alexander A. MacDonald, Roxbury, Mass.

Corp. William J. Daly, Fitchburg, Mass.
Corp. Andrew P. McLaughlin, Wakefield, Mass.

WHEN A FAMILY NEEDS A FRIEND

In the Absence of Doctors Nobly Gone to War, After Influenza, the Grip,—

those wonderfully useful medicines, Hood's Sarsaparilla, Peppermint and Hood's Pills—comprising the new combination family treatment—are warmly recommended.

If taken regularly, Hood's Sarsaparilla before meals, Peppermint after meals, and Hood's Pills at night as needed, they are reasonably sure to keep a family in health and prove to be reliable and always ready friends. They purify the blood, build up strength and regulate the system.

Get all, or any one, as you think you need, from your druggist to-day.—Adv.

MAY BE PASSUMPSIC MAN.
The Michael Delworth of "Sumack" mentioned as Wounded.

The report of the casualties showing that Michael Delworth of Sumack is wounded caused no end of work in the adjutant general's office to locate the man and possibly it has not been done, although it is very probable that it is Murray Delworth of Passumpsic who was reported wounded last July. A man by the same name enlisted from Passumpsic in Company C, 1st Vermont, and was later transferred to Company D of the same regiment and then to the 102d infantry in August, 1917, and was wounded in July this year.

Floyd Whitney, who was reported as wounded in Tuesday's list, has already returned to his home in Brattleboro. He is a son of Mervin Whitney of Dummerston and enlisted in Company L, 1st Vermont, later being transferred to the 101st ammunition train and then to the 103d infantry.

William Hammond, who was wounded, was an old Company M, 1st Vermont.

ALLIES TAKE OVER TEN WARSHIPS IN BLACK SEA

Russian Dreadnought Volia Now Flies the British Flag—No American Vessels in the Movement.

On Board the British Destroyer Tilbury, Sebastopol, Wednesday, Nov. 27 (By the Associated Press).—The allied fleet of British, French, Italian and Greek war vessels has taken from the Germans ten warships, including smaller craft in the harbor here. The Russian dreadnought Volia is now under the British flag. Five destroyers were apportioned among the allies, the British taking two, the French two and the Italians one. Four submarines, all German, were divided between the French and British. All the remaining warships and merchant vessels of the German Black sea fleet will be held here.

There are about 11,000 German troops in Crimea. They have requested permission to proceed to Germany by way of Trieste so as to avoid a repetition of an accident three weeks ago at Odessa, where German soldiers going to Constantinople were attacked by hostile citizens and some were killed. The Germans are not allowed to proceed from Crimea to Odessa and thence to Nikolayev on their journey back to their native country.

Sebastopol is governed by a coalition committee of workmen, merchants and professors. The people want to establish Crimea as a self-governing state, with its capital at Simferopol, under the federal republic of Russia. Armed workmen maintain order in the city at present, but the committee in charge fears disorders after the departure of the German troops and the allied fleet.

**YOU CAN'T FIND ANY
DANDRUFF, AND HAIR
STOPS COMING OUT**

Save Your Hair! Make It Thick, Wavy, Glossy and Beautiful at Once

Try as you will, after an application of Danderine, you cannot find a single trace of dandruff or falling hair, and your scalp will not itch; but what will please you most will be after a few weeks' use, when you see new hair, fine and downy at first—yes, but really new hair—growing all over the scalp.

A little Danderine immediately doubles the beauty of your hair. No difference how dull, faded, brittle and scraggy, just moisten a cloth with Danderine and carefully draw it through your hair, taking one small strand at a time. The effect is immediate and amazing—your hair will be light, fluffy and wavy, and have an appearance of abundance; an incomparable luster, softness and luxuriance, the beauty and shimmer of true hair.

Get a small bottle of Knowlton's Danderine from any drug store or toilet counter, and prove that your hair is as pretty and soft as any—that it has been neglected or injured by careless treatment. A small trial bottle will double the beauty of your hair.—Adv.

man. His nearest relative is Mrs. Nettie Gonyeau, his sister, in Burlington. James F. Baird of North Troy, wounded severely, is a son of Mrs. Jessie Baird and was a member of Company H, 1st Vermont regiment, but went overseas in the 101st ammunition train.

Frank Towles of Pownall, who is wounded, was a selective service man who went to Camp Devens May 24 and was assigned to the second company of the first battalion of the depot brigade.

WAS SHOT IN FOOT.
Pvt. John Arkinson, Jr., of St. Albans Has Been in Hospital Long Time.

St. Albans, Dec. 4.—Pvt. John Arkinson, Jr., who is reported wounded in action, is a son of Mr. and Mrs. John Arkinson of Walnut street. His parents, who were notified that he was wounded last July, received a letter from him Nov. 11, written Oct. 11, in which he said he had been in a hospital three months, having been shot in the left foot, and was on the way back to his company. He has five brothers and four sisters all living in this city.

Pvt. Arkinson, who is 24 years old, was with Co. B, 1st Vermont infantry, V. N. G., on the Mexican border in the summer of 1916. When the company was called out in the spring of 1917 he was working in Waterbury, but happened to be at home on a visit when the call came and he went with the boys to Fort Ethan Allen. Later he went to Camp Bartlett, Westfield, Mass., and overseas early in October the same year. He is with Co. B, 103d machine gun battalion.

Mr. and Mrs. L. J. Spencer spent Thanksgiving with Mr. Spencer's sister and family in Bethel, Maine. Eugene Martin was at home from Camp Devens over Sunday.

Mrs. Emma Hubbard and mother, Mrs. Pearson, of Granville have rented rooms in Charles Chamberlin's house for the winter.

Leon Sturtevant has received news of the death of his brother-in-law, John Alden. Mrs. Alden will be remembered as Bethel Sturtevant.

Mr. and Mrs. H. H. Cushman, Mrs. W. H. Campbell, Mrs. P. C. Tinkham and Mrs. Henry Wing were in Bethel last week to attend the funeral of Mrs. O. D. Greene.

L. D. Pierce was in Boston last week on a business trip.

Clinton Stevens was at home from Norwich university from Thursday until Monday.

Sixty-five ladies were present at the community service club, held at the home of Mrs. Julia Pierce Thursday afternoon. An interesting program was given, consisting of music and readings. All are urged to be present at the next meeting to discuss plans for the winter's work.

VERSHIRE

Rev. Mr. Tucker of Maine preached at South Vershire and in the village on trial two Sundays. The writer has not yet heard whether he is to preach in Vershire or not.

Mr. and Mrs. Henry Parker, who have spent several months at the old home with Frances Parker's people, have returned to their home in Massachusetts. Wellington and Merritt Morey and Alva Hastings were home for Thanksgiving. A very enjoyable party was held at the hall Thanksgiving evening.

Bernard Bradbury and Frank Miles have been working for Mr. Gorham in South Newbury.

Joseph Doyle has been carting potatoes to Hanover, N. H.

Piles Cured in 6 to 14 Days
Druggists refund money if PAZO OINTMENT fails to cure. Itching, Blind, Bleeding or Protruding Piles. Stops Irritation; Soothes and Heals. You can get restful sleep after the first application. Price 60c.—Adv.

Sportsmen of Vermont Respond to Fish and Game Commissioner's Appeal.

Sportsmen have responded very generally to the appeal of the commissioner as published in the daily papers of the state, and have refrained from shooting the ruffed grouse or partridge this season. Some localities report an increase in the number of birds, but the state at large reports conditions such as obtain throughout New England and which indicate the extinction of this noble game bird unless a widespread effort is made to give the species added protection. A close season of at least two years is the prevailing idea, not only in Vermont, but in Massachusetts and New Hampshire particularly. Such an amendment to our fish and game laws will be recommended to the coming session of the general assembly.

A recuperative diet in influenza. Horlick's Malted Milk, very digestible.—adv.

Miss Baird of Allston, Mass., Knitting for Red Cross

know, I can't give your medicine praise enough. The medicine mentioned in the above letter is made by Dr. J. F. True & Co., Auburn, Maine, and is called Dr. True's Elixir, the Family Laxative and Worm Expeller. On sale everywhere medicine is sold. Recommended by many druggists who have used it in their own families.—Adv.

WOULD NOT MEET GERMAN "REDS"

Americans in Treves Refused to Have Anything to Do with Them

THOUGH COMMITTEE
SOUGHT COMMANDER

Latter Refused to Grant Them the Desired Interview

Paris, Dec. 4 (Havas).—When American troops entered Treves yesterday, the German revolutionary committee tried to get in touch with them, but the commander of the forces refused to grant an interview.

BIG DECREASE IN DEER KILLING

Only 801 Slain in Vermont During Recent Open Season, as Compared with 992 During the 1917 Season.

The report submitted by State Fish and Game Commissioner Linus Leavens of Cambridge shows that only 801 deer were legally killed during the 1918 open season, which extended from Nov. 10 to Nov. 20, as contrasted with 992 deer shot during the 1917 season. The following facts in connection with the recent season are submitted by the commissioner:

Largest number reported from Windham county, 118. Second largest number reported from Essex county, 103. Third largest number reported from Rutland county, 102.

Largest buck reported from Windham county, weight 400 pounds (estimated), shot in Townsend by H. J. Sprague of Bellows Falls.

Total weight of deer killed, 146,057 pounds. Average weight of deer killed 182 pounds. Total number of pounds dressed venison 97,371, valued at 15 cents per pound, \$14,605.35.

Number of deer reported as illegally or accidentally killed, does 17, buck fawns 9.

A considerable smaller number of deer were killed this season than for the two previous seasons, namely, 1916, 1917. Two facts should be considered: First, there was a smaller number of hunters than usual, due to war conditions; second, the weather conditions were such, being warm and without snow, that the herds were not broken up and remained in the mountain region.

Our wardens have been active and in most counties organized to do most efficient work and be of greatest service to sportsmen and the general public. In several counties our wardens report a new spirit on the part of hunters, both resident and non-resident, showing a desire on their part to conform to the law.

The warden force consider it as much a part of their work to give information as to prosecute for violations.

No accidents due to carelessness of hunters have been reported. No complaints have come to this office from land owners reporting damage to livestock or property.

ROCHESTER

Mr. and Mrs. L. J. Spencer spent Thanksgiving with Mr. Spencer's sister and family in Bethel, Maine.

Eugene Martin was at home from Camp Devens over Sunday.

SAGE TEA TURNS GRAY HAIR DARK

It's Grandmother's Recipe to Bring Color, Luster and Youthfulness to Hair When Faded, Streaked or Gray.

That beautiful, even shade of dark, glossy hair can only be had by brewing a mixture of Sage Tea and Sulphur. Your hair is your charm. It makes or mars the face. When it fades, turns gray or streaked, just an application or two of Sage and Sulphur enhances its appearance a hundredfold.

Don't bother to prepare the mixture; you can get this famous old recipe, improved by the addition of other ingredients, at a small cost, all ready for use. It is called Wyeth's Sage and Sulphur Compound. This can always be depended upon to bring back the natural color and luster of your hair.

Everybody uses "Wyeth's" Sage and Sulphur Compound now, because it darkens so naturally and evenly that nobody can tell it has been applied. You simply dampen a sponge or soft brush with it and draw this through the hair, taking one small strand at a time; by morning the gray hair has disappeared, and after another application it becomes beautifully dark and appears glossy and lustrous. This ready-to-use preparation is a delightful toilet requisite for those who desire dark hair and a youthful appearance. It is not intended for the cure, mitigation or prevention of disease.—Adv.

RUSSIA TURNS BACK 1,500,000 PRISONERS SENT BY GERMANS

Government Refused to Let the Horde Pass Into Russian Territory, Thus Imposing on Germany a Serious Duty.

London, Dec. 4.—The Russian government has refused to admit 1,500,000 Russian soldiers who have been prisoners in Germany and has turned them back at the frontier, according to a Berlin dispatch to the Express, under date of Monday. The incident is serious for Germany because of the necessity of feeding these men.

It is reported that the Russian prisoners have seized four ships at Danzig, West Prussia, which the British Red Cross had obtained from the Germans for the purpose of housing British prisoners.

**IF BACK HURTS
BEGIN ON SALTS**

Flush the Kidneys at Once When Back-ache or Bladder Bothers—Meat Forms Uric Acid.

No man or woman who eats meat regularly can make a mistake by flushing the kidneys occasionally, says a well-known authority. Meat forms uric acid, which clogs the kidney pores so they sluggishly filter or strain only part of the waste and poisons from the blood, then you get sick. Nearly all rheumatism, headaches, liver trouble, nervousness, constipation, dizziness, sleeplessness, bladder disorders come from sluggish kidneys.

The moment you feel a dull ache in the kidneys or your back hurts, or if the urine is cloudy, offensive, full of sediment, irregular of passage or attended by a sensation of swelling, get about four ounces of Jad Salts from any reliable pharmacy and take a tablespoonful in a glass of water before breakfast for a few days, and your kidneys will then act fine. This famous salt is made from the acid of grapes and lemon juice, combined with lithia, and has been used for generations to flush clogged kidneys and stimulate them to activity, also to neutralize the acids in urine so it no longer causes irritation, thus ending bladder disorders.

Jad Salts is inexpensive and cannot injure; makes a delightful, effervescent, lithia-water drink, which all regular meat eaters should take now and then to keep the kidneys clean and the blood pure, thereby avoiding serious kidney complications.—Adv.

Don't wait until a cold and the grip have a firm hold. Take Lane's cold and grip Tablets as soon as you feel a cold coming on. Neglect is dangerous and often spells pneumonia. Keep a package handy for emergency. Results are guaranteed. Sold by druggists everywhere.
